1962 Editorial Index

and

Index of Authors

Compiled from Vol. 99, Nos. 1-12, Jan.-Dec. 1962

Here's solid evidence of editorial leadership, classified by subject. Check over those classifications of interest to you, refer to any of the complete, well illustrated articles; then compare this editorial quality and quantity with any other publication in the field. You'll understand why AMERICAN ARTISAN can be the only 100% PAID (ABC) publication in the field.

American Artisan

January-December 1962 — Vol. 99, Nos. 1-12

This index does not include Equipment Developments; New Literature: Regional Associations; Reports from the Field; People—departments appearing regularly in each issue. The Editor's Notebook and National News in each issue include items of news, comments on current events, etc. In the January issue a complete directory section was published covering warm air heating, air conditioning, sheet metal contracting, and ventilation and dust removal.
